the writer interested in Literature. Literature is a literary work made by someone in the form of films, novels, and also the art of music. “Literature is the embodiment of knowledge of the art of language, capable of vibrating the soul in the form of writing” (Ifianti & Rahman, 2020). Literature has a several types, one of the types is movie. Movie is a work made in the form of sound and also images that are shown on a screen. “Movie has an emotional and intellectual appeal that can be an exciting discipline of film studies” (Thamrin, 2013). Movie contain many elements that is plot, theme, setting, point of view and also the most important is character. Character is some of the traits possessed by humans, that is include bad or good traits. “The characters are the key to the way in which the story is lived” (Ifianti & Rahman, 2020).

Analysis character in movie aims to know the character of a person, with that we can develop our character to be a better than before. Jones H Edward (1968) states there are four aspects of characterization, those are Physical Appearance, Personality, Social Status, and Social Relationship, it will help to see the characterization of the main characters.

This study expands on previous research. The first study is taken from (Asminda, 2018) with title “The Analysis of Maleficent’s Characterization as the Main Character in Maleficent Movie by Robert Tromberg”. This study is discussed about the characterization of the main character in Maleficent Movie. From this research, the writer found that some of Maleficent’s characterization as the main character in this movie, they are good girl, grumpy, trouble maker, guardian angels and also a good witch. The second study is from (Rahmah, Mustofa, & Nisa, 2021) with the title “An Analysis of the Characterization of the Characters in Short Movie Entitled Ibu”. This study is discussed about the characterization of the characters and the moral values. This research found the characterization of the characters in Gerry was an antagonist character while the mother was a protagonist character. And the third study is from (Rahmawati, 2020) with the title “An Analysis of Characterization in the Theory of Everything Movie”. This research is discussed about the characters and characterization in the movie is important because characterization or description of a character is an important element in the story. From the result of the research, it revealed that Stephen Hawking and Jane Wilde Hawking are the main character in the movie. In this research has similarities in analysing characterization. Meanwhile there are some differences from the previous study with this study is the first study used movie entitled Maleficent. Then, the second study use movie entitled Ibu.
